Òscar l'Amorós

Hi I'm Òscar Amorós, fineart photographer and retoucher, with skills as Industrial Designer and Technical Draftsman. Focused for over 10 years on abstract art photography in my studio/gallery Amoros Photo Gallery, in Cadaqués. Awarded with a first prize of photography in Los Angeles (1st prize Fineart /Abstract, IPA International Photography Awards, 2007).

In 2014 I completed a Master in Advertising Photography and Image Processing at IDEP, Barcelona, with excellent results (9.20/10) . Since then I decided to specialize in professional retouching (dodge & burn, Color grade, fashion, advertising ,CGI+3D ,automotive, e-commerce...)

Used to work in product photography and advertising still life, portrait model in studio or outdoors and artistic object. My passion is to give beauty to everyday objects. I 'm a good person ,kind, humble ,hardworking and creative with marked artistic side within the framework advertising .My motto : Tenacitas Omnia Vincit !
